## REPORT.

---

The Committee have pleasure in presenting to Subscribers the Annual Report and Audited Statement of Accounts for the year 1928.

The detailed statement of work done by the Hospital and Dispensary shows a continued usefulness to the community of Ormskirk and District.

The number of In-Patients continues to increase (from 216 in 1926 to 229 in 1927, and 274 in 1928).

Two hundred and ten operations were performed. Forty-six of these were abdominal.

100·6% of the whole 15 beds of the Hospital have been continually occupied, as against 99·4 in 1927. This anomalous figure shows that couches, etc., have had to be requisitioned to cope with increasing work. There is a permanent waiting list.

The Building Scheme was launched in October, when the foundation stone was laid by Miss Margaret Beavan, Lord Mayor of Liverpool, at a crowded meeting of donors at the Drill Hall. This was the first occasion in Ormskirk on which a stone was laid by the pressure of an electric switch from a distance.

The Scheme provides for a new Children's Ward of 8 beds, and for the alteration and enlargement of the Men's Ward so as to accommodate 10 patients. Each Ward will be provided with a Sun Verandah. Three private wards will be built.

Alterations and additions to the administrative block will supply the necessary extra bedrooms for the Nursing Staff and increased laundry accommodation.

An Anæsthetic room and X-Ray room are under construction.

A new Mortuary has been built.

In addition, a motor ambulance is on order and a garage has been erected.

Certain lands adjacent to the grounds have been given to the Hospital by well-wishing subscribers, and other lands have been purchased. These will provide a recreation ground for the Nurses and will allow for future extensions as and when necessary.

The response to the Building Appeal has been most gratifying, and a tribute must here be paid to the untiring efforts of Mr. C. E. Maples, J.P., who became Chairman of the Hospital in January, 1929.

The Committee much regret that Mr. G. le Pan Newstead, J.P., found himself unable to continue to hold office as Chairman, but are pleased that he has consented to occupy the Vice-Chair.

#### LOCAL SUB-COMMITTEES.

Towards the end of 1927 an effort was commenced with a view to setting up self-governing Sub-Committees in parishes outside Ormskirk. It is gratifying to note that the scheme has so far developed that Sub-Committees are in operation in the parishes of Burscough, Halsall, Lathom, Maghull, Scarisbrick and Skelmersdale. Since the autumn of 1928 one Committee has provided various gifts in kind (vegetables, etc.), for use in the hospital for one month, while all have responded in a most gratifying manner by special efforts such as Whist Drives, Band Collections, etc. The Committee would tender to each their grateful thanks.

#### GIFTS.

While it is not possible to give details of the welcome and useful gifts which have been received from many kind donors, the Committee wish to convey their warmest thanks to all who have assisted the work in this way.

#### LINEN GUILD.

This was inaugurated in the year 1926, and has evoked much welcome enthusiasm amongst the ladies

or the District. It has for its object the supply to the Hospital of the necessary linen, bandages, dressings, linen, clothing, etc.

The Guild has approximately 130 members, and meets once a month from October to April.

Lady members may pay six shillings and attend to sew when they wish, or alternatively pay one shilling and sew at every meeting.

The Guild has its own Committee and issues its own Annual Report to Subscribers.

The Hon. Secretary (Miss Brighouse, 9, Derby Street, Ormskirk), will be glad to hear from ladies who wish to become members.

#### MASSAGE.

Up to the year 1928 there has been no Massage Department at the Hospital, but Miss G. I. Hutton gave her services voluntarily, and to her the Committee tender their grateful thanks. In October, 1928, the Committee decided to appoint a Masseuse to the Hospital, and Miss Hutton was accordingly appointed.

356 Massage treatments were given during the year 1928.

#### COLLECTING BOXES.

In view of the fact that this source of revenue appears in the past to have been somewhat neglected, the Committee are glad to be in a position to report some increase in the amount collected during 1928.

The Collecting Box provides a means whereby the combined efforts of every section of the community (rather than the charitable impulses of the few) may be applied to the well-being of the Hospital.

Many employers of labour have rendered great help by drawing attention to the Hospital Box weekly when the men are paid. The Committee would be grateful if other employers could see their way to follow suit. Boxes may be had upon receipt of a post card addressed to the Assistant Secretary at the Hospital.

#### “SILVER PAPER” COLLECTION.

This method of raising funds has been adopted by the Hospital since 1926.

The thanks of the Committee are due to Headmasters and Headmistresses of Schools in the District, who have taken the matter up with interest, and greatly assisted in the results obtained. The sum of £25 3s. 3d. was obtained from Silver Paper during the year 1928, an increase of £15 17s. 1d. on the previous year. Collections, large or small, will be welcomed at the Hospital.

#### ASSISTANT SECRETARY, POSTAL ADDRESS, AND TELEPHONE.

The Assistant Secretary is in attendance at the Hospital daily, from 9 a.m. to 5 p.m., and will be pleased to give assistance and information to enquirers. The postal address, to which it is requested all communications to officials on Hospital business should be sent is—The Cottage Hospital, Hants Lane, Ormskirk. Telephone No. 88 Ormskirk.

#### THE FUTURE.

The experience of the past few years, pointing as it does to the inevitable further growth of the work, demands that the Hospital must not only be maintained in its present state of efficiency—a matter of increasing difficulty—but must be enlarged. Work on the alterations and extensions is now far advanced, and it is hoped that by the middle of 1929, Ormskirk will possess a General Hospital which is second to none outside the largest towns of Lancashire, yet Ormskirk's need of funds is as great as, if not greater than these large towns.

The Committee confidently appeal for continued and increasing financial support for this old established Institution which ministers to such a large area. The costs of maintenance of the enlarged Institution can only be met by increased subscriptions.

H. E. MARSDEN,  
Hon. Secretary.
